About Us

Harithams Group of Companies

With over 20+ years of extensive experience in civil engineering, real estate development, and construction management, Mr. Swaminathan J Reddy founded the Harithams Group of Companies to deliver high-integrity real estate solutions that combine engineering excellence with customer-centric values.

Established in 2018 and headquartered in Chennai, Harithams has emerged as a trusted brand in South India's real estate sector. The group has successfully delivered over 5 million square feet of developed land and constructed spaces, and has proudly completed 37+ residential and infrastructure projects across strategic locations, with 19+ construction projects delivered in Chennai and Bangalore.

Guided by a mission to transform land into vibrant, well-planned communities, Harithams continues to create developments that offer long-term investment value, environmental harmony, and quality living.
